Country Roads

John Denver

G Em D C G
Almost heaven, West Virginia, Blue Ridge Mountains, Shenandoah River.
Em D C G
Life is old there, older than the trees, younger than the mountains, growin' like a breeze.

G D Em C
Country roads, take me home, to the place I belong
G D C G
West Virginia, mountain momma, take me home, country roads.

G Em D C G
All my mem'ries, gather 'round her, miner's lady, stranger to blue water.
Em D C G
Dark and dusty, painted on the sky, misty taste of moonshine, teardrop in my eye.

G D Em C
Country roads, take me home, to the place I belong
G D C G
West Virginia, mountain momma, take me home, country roads.

Em D G
I hear her voice, in the mornin' hours she calls me,
C G D
The radio reminds me of my home far away.
Em F
And drivin' down the road,
C G D D7
I get a feelin' that I should have been home yesterday, yesterday.

G D Em C
Country roads, take me home, to the place I belong
G D C G
West Virginia, mountain momma, take me home, country roads.

G D Em C
Country roads, take me home, to the place I belong
G D C G
West Virginia, mountain momma, take me home, country roads.

D G D D G G
Take me home, country roads, take me home, down country roads.

The Bare Necessities

The Jungle Book

Intro "Now all you've got to do is..."

Look for the bare necessities the simple bare necessities, forget about your worries and your strife

I mean the bare necessities, old Mother Nature's recipes, that bring the bare necessities of life

Wherever I wander, wherever I roam, I couldn't be fonder of my big home

The bees are buzzin' in the tree, to make some honey just for me

When you look under the rocks and plants, and take a glance at the fancy ants,

Then maybe try a few, the bare necessities of life will come to you, they'll come to you

Look for the bare necessities the simple bare necessities, forget about your worries and your strife

I mean the bare necessities, that's why a bear can rest at ease, with just the bare necessities of life

Now when you pick a pawpaw, or a prickly pear, and you prick a raw paw, the next time beware

Don't pick the prickly pear by the paw, when you pick a pear, try to use the claw.

But you don't need to use the claw, when you pick a pear of the big pawpaw

Have I given you a clue? The bare necessities of life will come to you, they'll come to you!

Look for the bare necessities the simple bare necessities, forget about your worries and your strife

I mean the bare necessities, old Mother Nature's recipes, that bring the bare necessities of life

That bring the bare necessities of life
