# 5 Years' Time Noah and the Whale

**Intro – whistling/picking then C// (mute) F/// (mute) G/// (mute) F/// (mute)**

Oh well in five years' time we could be walking round a zoo with the sun shining down over me and you  
 And there'll be love in the bodies of the elephants too, and I'll put my hands over your eyes but you'll peep through

And there'll be sun sun sun all over our bodies and sun sun sun all down our necks  
 And sun sun sun all over our faces and sun sun sun so what the heck?

Cos I'll be laughing at all your silly little jokes and we'll be laughing about how we used to smoke  
 All those stupid little cigarettes and drink stupid wine 'cos it's what we needed to have a good time

And it was fun fun fun when we were drinking, it was fun fun fun when we were drunk  
 And it was fun fun fun when we were laughing, it was fun fun fun, oh it was fun

**C F G F \*Whistling\* x2**

Oh well I look at you and say it's the happiest that I've ever been  
 And I'll say "I no longer feel I have to be James Dean" and she'll say "Yah well I feel all pretty happy too"  
 and I'm always pretty happy when I'm just kicking back with you

And it'll be love love love all through our bodies and love love love all through our minds  
 And it be love love love all over her face and love love love all over mine

Although maybe all these moments are just in my head I'll be thinking 'bout them as I'm lying in bed  
 And all that I believe, it might not even come true but in my mind I'm havin' a pretty good time with you

In five years time I might not know you, in five years time we might not speak oh  
 In five years time we might not get along, in five years time you might just prove me wrong

**C F G F \*Whistling\* x2**

**C (Whistling and drum beat only)**

Oh there'll be love love love, wherever you go, there'll be love love love, wherever you go

There'll be love love love, wherever you go, there'll be love love love, wherever you go

There'll be love love love, wherever you go, there'll be love love love, wherever you go

There'll be love love love, wherever you go, there'll be love love love, wherever you go there'll be love **CC**

**Em** Though its 3 o'clock time is just the time it takes for you to talk  
**A**

**D** So if you're lonely why'd you say you're not lonely oh you're a silly girl, I know I heard it so  
**F#m** **Em**

**A** It's just like you to come and go. And owe me, no you don't even know me  
**D** **F#m**

**Em** You're so sweet to try, oh my, you caught my eye, a girl like you's just irresistible  
**A**

**D F#m Em A**

**D** Well it's a big big city and the lights are all out but it's much as I can do you know to figure you out  
**F#m**

**Em** And I must confess, my hearts in broken pieces and my heads a mess  
**A**

**D** And it's 4 in the morning, and I'm walking along  
**F#m**

Beside the ghost of every drinker here who has ever done wrong and it's you, woo hoo  
**Em**

That's got me going crazy for the things you do  
**A**

**D** So if you're crazy I don't care you amaze me, oh you're a stupid girl, oh me, oh my, you talk  
**F#m** **Em**

**A** I die, you smile, you laugh, I cry. And only, a girl like you could be lonely  
**D** **F#m**

**Em** And it's a crying shame, if you would think the same, a boy like me's just irresistible  
**A** **A**
